Goddesses and the Divine Feminine-Rosemary Ruether 2006-11-20 Presents a portrait of sacred female and goddess imagery in Western culture, from their creation to the present day.

The Sacred Feminine-T. Hegland 2017-12-16 The Sacred Feminine cuts across several areas and knits them together: Alchemy, Gnosticism, Jesus and Mary Magdalene, John the Baptist, the Templars and their treasure. This book is NOT a repeat of The DaVinci Code –it goes beyond it with facts and connects the dots. While it profiles many major world goddesses, it goes into depth with Mary Magdalene -- not a penitent prostitute and the Church finally agreed in 1969. She was an Apostle to the apostles, from a rich Egyptian family, and she had been a Temple Priestess, hierodulai practicing hieros gamos... she anointed Jesus and knew much of what he knew, including possessing some of his anointing; She stood before Caesar Tiberius and to make a point with him, she turned a white egg to red. Her Gospel of Mary is examined (Ch. 11) and her teaching. The last 2 chapters examine how we can connect with the Divine Feminine/Masculine and achieve a higher awareness. The book could have been called Spiritual Alchemy. The Templars did find treasure and genealogies under the Temple Mount (and the head/skull of John the Baptist) and took it back to France, and some treasure went to Rosslyn, and some went to the New World -- Quebec as a matter of fact... forget Oak Island (TV show), the Templars stashed it elsewhere. They were trying to set up a new kingdom of Saguenay in Canada but failed. Spiritual Alchemy is what the Templars, Gnostics, Mary Magdalene, John the Baptist and the Cathars were after, and it wasn't just to turn lead into gold -- although some alchemists DID do that and it was documented before the King of England. The theme of the book is that there needs to be a return to the Divine Feminine and the Yang Church needs to become the Yin-Yang (balanced)Church if it is to survive. Women and their feminine balance, nurturing, compassion and intuition are sorely needed in today's world as well as the church such that Modern Man (and woman) can better grow spiritually and leave mechanistic, rote religion to the 3rd world tribes. The book also examines Black Madonnas, Leonardo Da Vinci's paintings with their unique symbolism, the Dome of the Rock and what it hides, who the Beloved Disciple of Jesus really was, why Snake Oil IS medically of value, two new and authentic gospel fragments, the Mfkat [sic] powder discovered in Egypt, and the recent discovery of writing on the Shroud of Turin -- which is authentic: it IS Jesus' shroud. New looks at Ascension, Karma, Reincarnation and Scripts are looked at thru the eyes of Rudolf Steiner, St Germain and the Great White Brotherhood (aka Order of Melchizedek).

The Magdalene Awakening-L. Shannon Andersen 2008 (Anderson) has successfully journeyed to that sacred space and lifted the veil, revealing the atrium of immortality and enticing (readers) to join her on her high mission.--Maria Magdalena Colavito, Ph.D., author of "The Pythagorean Intertext in Ovid's Metamorphoses" and "The New Theogony: Mythology for the Real World."

The Wild and Sacred Feminine Deck-Niki Dewart 2022 "Honoring the potent times in which we are living, The Wild and Sacred Feminine Deck is an invocation of the sacred feminine. We all crave trustworthy sources of insight for clarity, confirmation, and guidance. The Wild and Sacred Feminine Deck, crafted from the collected feminine wisdom of millennia, intends to be that guide. Wherever you are on your journey as a woman, these fifty-two cards speak through universal symbols of the sacred feminine goddesses (Kuan Yin, Lakshmi, Artemis, etc.) and archetypes (Curandera, Bodhisattva, Mother, Queen) to amplify your innate knowing, invigorate your emergent potential, and reveal blind spots that may hamper your growth. Each card reflects one aspect of the sacred feminine, opening a portal of potential, a threshold to integrate what we have been and the "not-yet" we can become. The Wild and Sacred Feminine Deck helps women usher the ongoing conversation they have with their lives into a larger, more luminous context" --

The Woman's Dictionary of Symbols and Sacred Objects-Barbara G. Walker 2013-05-07 This fascinating guide to the history and mythology of woman-related symbols features: Unique organization by shape of symbol or type of sacred object 21 different sections including Round and Oval Motifs, Sacred Objects, Secular-Sacred Objects, Rituals, Deities' Signs, Supernaturals, Body Parts, Nature, Birds, Plants, Minerals, Stones and Shells, and more Introductory essays for each section 753 entries and 636 illustrations Alphabetical index for easy reference Three-Rayed Sun The sun suspended in heaven by three powers, perhaps the Triple Goddess who gave birth to it (see Three-Way Motifs). Corn Dolly An embodiment of the harvest to be set in the center of the harvest dance, or fed to the cattle to `make them thrive year round' (see Secular-Sacred Objects). Tongue In Asia, the extended tongue was a sign of life-force as the tongue between the lips imitated the sacred lingam-yoni: male within female genital. Sticking out the tongue is still a polite sign of greeting in northern India and Tibet (see Body Parts). Cosmic Egg In ancient times the primeval universe-or the Great Mother-took the form of an egg. It carried all numbers and letters within an ellipse, to show that everything is contained within one form at the beginning (see Round and Oval Motifs).

14 Steps to Awaken the Sacred Feminine-Joan Norton 2009-03-03 A practical guide for inviting the wisdom of Mary Magdalene into everyday life • Provides a unique workbook for use in the spiritual pathwork of Magdalene Circles • Includes wisdom stories, guided meditations, journaling questions, and essays by Margaret Starbird, author of The Woman with the Alabaster Jar • Designed for those involved in Magdalene Circles and those interested in applying the sacred feminine wisdom of the Goddess to their lives Women's circles have been called a "revolutionary-evolutionary movement hidden in plain sight" by Jean Shinoda Bolen and have been hailed as capable of affecting global change, Magdalene Circles are groups of women who focus their shared energies on the wisdom of Mary Magdalene to gain insight into the role of the sacred feminine in their own lives and to help them advance on their spiritual paths. This book offers 14 lessons to help understand the wisdom offered by Mary Magdalene's story and myths. Among the lessons are prophecies of the bride, why we need the bride, Magdalene's archetypal pattern of descent, and how modern women carry the Grail. Well-suited for the individual reader as well as a group, each lesson includes an introduction, guided meditation, questions for journaling, and an essay by Margaret Starbird as well as suggestions for group sharing. Placing Mary Magdalene within the pattern of "cyclic renewal" of earth-based religions, this book offers the chance to incorporate the sacred feminine wisdom of Mary Magdalene into everyday life for Christians and spiritual feminists alike.

Mother Mary Meditations-Radiant Heart Media 2019-09-04 This book of modern holy cards of the 54 titles of Mother Mary is for anyone who wants to explore devotion to the sacred feminine in traditional and new ways. The prayers and meditations in Mother Mary Meditations: Holy Cards of the Sacred Feminine are accessible to everyone, no matter their spiritual background or preferred practice.The digital art presents holy card iconography of the sacred feminine in a distinctly new way, with a holy card image for over fifty invocations of Mary that come from millennia of devotion.This book is for you if you are: Looking for ways to explore the sacred feminine in your spiritual practice. Interested in sacred art, iconography and visual meditation.Open to new and different ways of honoring Mother Mary. Meditations on Mother MaryFor thousands of years, icons and holy cards have invoked and honored Mother Mary. The holy cards in Mother Mary Meditations explore the Catholic prayer called the Litany of the Virgin Mary, or the Litany of Loreto. The Litany is an ancient prayer over a thousand years old and celebrates Mary's titles as virgin, mother, and queen. New Pathways to Prayer and MeditationEach chapter is devoted to one of Mother Mary's titles in the prayer and includes its holy card, an invocation, a meditation, and invitations to express the holy card's theme in daily life. While the Litany is traditionally a Catholic prayer, the book is ecumenical and can be enjoyed by Christians and non-Christians alike. This book of meditations is for anyone who wants to explore sacred art and the symbols of the sacred feminine.

The Subjugation Of The Divine Feminine-Mauricio Facteau 2021-07-16 The book gives the idea of the culture of the perverted masculine and explains the Divine Feminine by the philosophical and psychological through the symbol of Marijuana. Marijuana and The Prohibition Of The Divine Feminine explore the history and the psychology behind the prohibition of marijuana and the subjugation of The Divine Feminine. The symbolism of the Divine Feminine is demonstrated through marijuana and hemp correlatives while also exploring feminism and the perverted masculine of the postmodern war world. The culture of the perverted masculine would have people believe that the oldest profession is prostitution. Of course, the philosophical and psychological reasoning to put forth this idea is to subjugate women and by extension the Divine Feminine. There is no legitimate basis for this sentiment except to control our thinking, to normalize the idea that women sell their bodies and to suggest it's a worthwhile thing to do being that women can't accomplish much more, and worthwhile thing for men to pursue because of their difficulty in actually relating to people authentically. Propagating the idea that prostitution is the oldest profession is in itself a perversion. Indeed, marijuana and hemp can save humanity.

Goddess Power-Isabella Price 2017-10-28 Feminine Empowerment Path of the Goddess: At the dawn of religion, God was a Woman. The Divine Feminine is known by innumerable names and symbol-rich manifestations across the world's cultures. Throughout the ages the Goddess has been honored and worshiped as the Virgin Mary, Isis, Inanna, Asherah, Diana, Kuan Yin, Kali, Oshun, Athena, Pele, Sarasvati, Demeter, and White Buffalo Calf Woman, to mention just a few. Many conceptions of the Goddess are mysterious and seemingly paradoxical. Yet at its source, the Divine Feminine is one. I Am (With) Her takes you on a fascinating and, at times, surprising journey into the enduring essence of the Divine Feminine. Inside this book you will learn:
• How the Goddess path offers an empowering message and inspiration
• The importance of re-establishing a healthy balance and integration of both the "masculine" and the "feminine" archetypes
• That the notion of God as archetypal "Sky-Father" is fairly recent in Western culture
• Why the wisdom of the Goddess/Sacred Feminine has been ignored, distorted, and oppressed for centuries
• How archetypes, mythic narratives, and qualities of Goddesses are alive within you and how they reveal intimate truths about yourself and others
• How Goddesses can serve as empowering guides in your personal and professional life
• Why especially black Goddesses/dark-skinned Mothers (e.g., Kali or Black Madonna) are a powerful symbol and catalyst for change in our times, both individually and collectively
• And much, much more!

Goddess Wisdom Made Easy-Tanishka 2019-01-08 Learn about the ancient goddess traditions and reconnect with your femininity, your natural cycles and your intuition. Ancient civilizations once worshipped female deities and women were the leaders, counsellors and healers of their communities. Through the ages, the wisdom of the Goddess was then forgotten, and people around the world lost their connection to ancient feminine wisdom. In this practical guide, Tanishka, a leading teacher and author of women's wisdom traditions, introduces the main Goddess cultures and explains how their teachings and practices can empower and transform your life today. You will learn:
• the history, philosophy and practices of ancient Goddess traditions
• the seven Goddess archetypes and their corresponding chakras
• the life stages of the feminine journey and how to transition through each one
• rituals to reconnect with your inner goddess
• insight and tools to understand and align with the cycles of nature This book was previously published under the title Goddess Wisdom (Hay House Basics series).

Signs Symbols and Secrets-Carmen Harra 2006-07-01 Signs, Symbols, and Secrets decodes in a fascinating new way the secrets behind The Da Vinci Code impact on the world. This book unlocks the hidden secrets of the truth about Jesus' life and death and explicates the numeric code presented by Dan Brown in a revolutionary and compelling new theory. Signs, Symbols, and Secrets intends to enhance the magnitude of the Holy Grail as the symbol of the divine feminine energy rising in power to balance the male energy. The book reveals that the intelligence of creation is concealed in every form of existence as an eternal code that can be explained through pure symbols and sacred numbers.

The Divine Feminine in Ancient Europe-Sharon Paice MacLeod 2013-12-09 "This book is an exploration of the spiritual traditions of ancient Europe, focusing on the numinous presence of the divine feminine in Russia, Central Europe, France, Britain, Ireland and the northern regions. The book shows how the power of European goddesses and holy women evolved through the ages"--

Aztec Goddesses and Christian Madonnas-Joseph Kroger 2020-04-28 The face of the divine feminine can be found everywhere in Mexico. One of the most striking features of Mexican religious life is the prevalence of images of the Virgin

symbols-of-the-sacred-feminine

Mother of God. This is partly because the divine feminine played such a prominent role in pre-Hispanic Mexican religion. Goddess images were central to the devotional life of the Aztecs, especially peasants and those living in villages outside the central city of Tenochtitlan (present day Mexico City). In these rural communities fertility and fecundity, more than war rituals and sacrificial tribute, were the main focus of cultic activity. Both Aztec goddesses and the Christian Madonnas who replaced them were associated, and sometimes identified, with nature and the environment: the earth, water, trees and other sources of creativity and vitality. This book uncovers the myths and images of 22 Aztec Goddesses and 28 Christian Madonnas of Mexico. Their rich and symbolic meaning is revealed by placing them in the context of the religious worldviews in which they appear and by situating them within the devotional life of the faithful for whom they function as powerful mediators of divine grace and terror.

Sacred Feminine-Judith M. McLaughlin 2009 Sacred Feminine examines the role that culture, religion, sociology, art and gender played in the development of the religious Santero art, in particular, the images of women. Santero art beautifully portrayed the feminine both in nature and spirit. The Spanish loved the Virgin profoundly and fervently from the 12th century onward, within the Cult of Mary, in Spain and throughout Europe. This devotion reached its peak just before and during the discovery and conquest of the New World.

Art & Sacred Sites-Glen Rogers 2014-01-15 This book reveals a personal artistic journey to sacred sites around the world (such as Stonehenge, Caves in the South of France, and Ayers Rock in Australia) and the art that was inspired by the symbols and connections at each location. It contains beautiful spreads in full color of the artist's? work, photographs of the sites where she gained her inspiration and personal observations written especially for each of the ten chapters.

Mary Magdalen-Susan Haskins 2011-09-30 A dramatic, thought-provoking portrait of one of the most compelling figures in early Christianity which explores two thousand years of history, art, and literature to provide a close-up look at Mary Magdalen and her significance in religious and cultural thought.

The Templar Revelation-Lynn Picknett 2004-09-21 THE MOST CLOSELY GUARDED SECRET OF THE WESTERN WORLD IS ABOUT TO BE REVEALED -- AND YOU WILL NEVER SEE CHRISTIANITY IN THE SAME LIGHT AGAIN. In a remarkable achievement of historical detective work that is destined to become a classic, authors Lynn Picknett and Clive Prince delve into the mysterious world of the Freemasons, the Cathars, the Knights Templar, and the occult to discover the truth behind an underground religion with roots in the first century that survives even today. Chronicling their fascinating quest for truth through time and space, the authors reveal an astonishing new view of the real motives and character of the founder of Christianity, as well as the actual historical -- and revelatory -- roles of John the Baptist and Mary Magdalene. Painstakingly researched and thoroughly documented, The Templar Revelation presents a secret history, preserved through the centuries but encoded in works of art and even in the great Gothic cathedrals of Europe, whose final chapter could shatter the foundation of the Christian Church.

African Goddess Initiation-Abiola Abrams 2021-07-20 A sacred feminine initiation of self-love and soul care rituals, tools, and exercises. Spiritual teacher, intuitive coach, and award-winning author, Abiola Abrams invites you to activate African goddess magic to transmute your fears and limiting beliefs, so that you can create more happiness, abundance, and self-acceptance. Africa is a continent of 54+ countries, and her children are global. There is no one African spiritual tradition. Our ancestors who were trafficked in "The New World" hid the secrets of our orishas, abosom, lwas, alúsi, and god/desses behind saints, angels, and legendary characters. From South Africa to Egypt, Brazil to Haiti, Guyana to Louisiana, goddess wisdom still empowers us. Writes Abiola, "Spirit told me, "We choose who shows up." And if you are holding this book, then this sacred medicine is meant for you. In this book, you will meet ancient goddesses and divine feminine energy ancestors, legendary queens, and mystical spirits. As you complete their powerful rituals, and ascend through their temples, you will: . Awaken generational healing in the Temple of Ancestors; . Manifest your miracles in the Temple of Conjurers; . Release the struggle in the Temple of Warriors; . Embrace your dark goddess self in the Temple of Shadows; . Heal your primal wounds in the Temple of Lovers; . Liberate your voice in the Temple of Griots; . Open your third eye intuition in the Temple of Queens; and . Surrender, meditate, and rise in the Temple of High Priestesses. Welcome to your goddess circle!

The Sacred and the Feminine in Ancient Greece-MALCOLM WILLIAMSON 1998 In Classical Greece women were almost entirely excluded from public life. Yet the feminine was accorded a central place in religious thought and ritual. The public symbolism of religion included powerful figures like Hera, Artemis and Athene; female worshippers often breached the boundary between public and private space; and both men and women negotiated gendered identities through their performance of ritual. This volume is a lively and colorful exploration of the ways in which religion and ritual reveal women's importance in the Greek polis, showing how ideologies about female roles and behavior were both endorsed and challenged in the realm of the sacred.

Coloring the Sacred Feminine-Susanne F. Fincher 2016-10-18 An adult coloring book featuring 50 mandala designs that invoke a sense of the sacred feminine. Coloring the circular designs known as mandalas is a relaxing and meditative activity that can be a pathway to personal growth. This book is a celebration of the sacred feminine in all its forms, from gentle and motherly to fierce and challenging. Using the archetypal imagery of the circle—appearing here in the form of organic shapes of nature, the curves of the female body, the womb and childbirth rituals, the circular turning of cosmic rhythms, and geometric designs conveying the primal energy of the goddess—these mandalas provide a creative encounter with the Divine as a female presence.

The Divine Feminine Oracle-

The Dance of the Dissident Daughter-Sue Monk Kidd 2006-12-26 "I was amazed to find that I had no idea how to unfold my spiritual life in a feminine way. I was surprised, and, in fact, a little terrified, when I found myself in the middle of a feminist spiritual reawakening." --Sue Monk Kidd For years, Sue Monk Kidd was a conventionally religious woman. Then, in the late 1980s, Kidd experienced an unexpected awakening, and began a journey toward a feminine spirituality. With the exceptional storytelling skills that have helped make her name, author of When the Heart Waits tells her very personal story of the fear, anger, healing, and freedom she experienced on the path toward the wholeness that many women have lost in the church. From a jarring encounter with sexism in a suburban drugstore, to monastery retreats and to rituals in the caves of Crete, she reveals a new level of feminine spiritual consciousness for all women-- one that retains a meaningful connection with the "deep song of Christianity," embraces the sacredness of ordinary women's experience, and has the power to transform in the most positive ways every fundamental relationship in a woman's life- her marriage, her career, and her religion. This Plus edition paperback includes a recent interview with the author conducted by the book's editor Michael Maudlin.

Goddesses for Every Day-Julie Loar 2011 Throughout time, people have turned to goddesses as symbols of what they seek -- from abundance to healing, from protection to passion. Building on the resurgence of interest in the Divine Feminine, Julie Loar presents the qualities and origins of an international array of these deities, along with powerful suggestions for putting their attributes to practical use. In a daily-reflection format, she gracefully aligns the goddesses with the cycles of nature and the signs of the zodiac. If you are struggling to attain a goal, call on the Nepalese goddess Chomolungma, as the sherpas climbing Mount Everest have done for generations. Or, for good luck, invoke the Roman goddess Fortuna, the inspiration behind gambling's wheel of fortune. With 366 goddesses to choose from, you will find a deity to call upon for every aspiration and need.

The Goddess in the Gospels-Margaret Starbird 1998-10-01 In an era that has reclaimed many aspects of the feminine, Margaret Starbird’s The Woman with the Alabaster Jar stands out as a courageous exploration of the scored feminine in the Western religious tradition. But espousing the marriage between Jesus and Mary Magdalene created a personal crisis for this Catholic scholar. In The Goddess in the Gospels the author tells how she was guided in her ever-deepening study of the New Testament and the gematria–number coding of the Greek alphabet–by an incredible series of synchronicities that mirror the inner and outer worlds and which reveal the Sacred Marriage of male and female–the hieros gamos–leading to her own personal redemption.

Absent Mother God of the West-Neela Bhattacharya Saxena 2015-12-15 This book investigates the absence of the Divine Feminine in Christianity and Judaism and its psycho-spiritual consequences. It chronicles the author’s journey into obscure and suppressed figures like the Black Madonna of Europe and Shekhinah of mystical Judaism and reveals an emergent understanding of a Mother God for the twenty-first century.

The Goddess, an Expression of the Divine Feminine-Gracie Ackerman 2012-08-02

In all religions, the goddess or the feminine aspect of God has been hidden under doctrine and dogma. The root of equality is left trampled in the ruins of the ancient temples that scatter the globe; Gracie created this book to bring her back to her original glory. This book is intended to help women love their flesh, their original beauty, to do away with the plastic and the pornographic. Real women are organic, their bodies unique; their bodies are their own. Gracie's dreams led her down this path; because of her vivid spiritual and mystical dreams, she began to study Jungian dream analogy; Jung led her to Albert Einstein. These two brilliant minds could connect the mysteries for her. She understands it is the mysteries that lead us. It is Gracie's intention to bring into awareness, sacred sexuality through the God and Goddess archetypical wisdom of healthy, mature sexuality for the sake of love, lust, and spirituality.

Goddess Calling-Karen Tate 2014-03-28 In ever-increasing numbers, women and men are seeking spirituality beyond traditional religious institutions and more and more their new normal includes the deities, ideals and archetypes of the Sacred Feminine. They have a desire to get beyond the patriarchal dogma that often perpetuates sexism, homophobia and the domination of Gaia and all her inhabitants, including the body of Mother Earth. Goddess Calling is designed to give individuals or those desiring to serve their communities a springboard to offer “sermons from the pulpit” with ideas to create a format for a regular gathering or service. Easy to digest and sometimes gently following the seasons of the year and holidays already on most people’s calendars, these messages and meditations use Goddess archetypes, ideals and mythology to provide content for education, inspiration and contemplation for anyone seeking to incorporate a feminine face of God within their spirituality, no matter what their faith.

Goddess Wisdom-Tanishka 2017-06-06 Ancient civilizations worshipped female deities, and women were the leaders, counsellors and healers of nations. However, through various historical events, such as the arrival of Christianity in many cultures, the worship of the goddess was lost. In this book, author Tanishka shares the long-lost ancient culture of the goddess. This book unveils: • The history of the ancient goddess traditions • The 7 Goddess archetypes and their chakras • A woman’s life stages and how to transition into each one • The 3 goddess paths of initiation used by ancient priestesses • Tools for understanding and aligning with the cycles of nature • Rituals and exercises to reconnect with your inner goddess ...and much more!

Voices of the Sacred Feminine-Karen Tate 2014-11-28 Most of us have come to realize patriarchy - rule by a male-dominated society revering solely a male God - is not working for Mother Earth or most of the people on the planet. How do we counter beliefs that there is no option but the authoritarian father? How does society go about making a course correction? How do ideas that permeate every level of society from womb to tomb, boardroom to bedroom, voting booth to the workplace shift into a more fair, equal, and just world of partnership, sharing, caring and peace? Those are exactly the questions discussed on the long-running radio show, /Voices of the Sacred Feminine/, hosted by Rev. Dr. Karen Tate in her show dedicated to the Sacred Feminine as deity, archetype and ideal. Never before has an internet radio show cast such a wide net to include so many voices whose ideals are in alignment with “sacred feminine liberation theology.” If we can imagine it, vision it, and restore ancient truths swept beneath the rug and kicked to the curb by patriarchy, then we can manifest it! Hear solutions from these visionaries, scholars, wayshowers, foremothers and activists - women and men - dedicated to reshaping our world... Noam Chomsky, Laura Flanders, Gloria Feldt, Jean Shinoda Bolen, Phyllis Chesler, Barbara G.
